November 2009

Dear Parents,

We had we had a great start to the year with the St. Catherine Laboure children's Cherub Choir. The Cherubs have worked very hard and have done a wonderful job making beautiful music. Below is the schedule for the remainder of the "choir year." We will continue to sing every month until Easter. Easter will be our official last gathering for the year as it becomes chaotic in the spring with sports, holidays, and family vacations.

In preparation for Christmas, we have scheduled three rehearsals in December. We will provide the children with CDs so that they can work on the songs at home but because of the amount of music we need to work on, we ask that they attend two of the three rehearsals. Please note the date and location of each rehearsal.

Please let us know if you have any questions or concerns with the schedule. Extra choir schedules can be downloaded from the parish website at www.stcatherinelaboure.com, then click on Music Ministry. As always, thank you for your support of the St. Catherine Laboure Cherub Choir!
